This document was prepared by a faculty committee appointed by the University Committee to respond to recent legislative changes to tenure in the UW System. As detailed in the document, state statute and regent policy are clear that the authority of the Board of Regents is to provide oversight of programs, with program changes being either approved by or reported to the Board, while also granting the chancellor the authority to establish employment policies and practices on the UW-Madison campus. Individual campuses were asked by the Board of Regents through the UW System tenure task force to propose implementing language for each campus to address the changes brought on by Act 55. At UW-Madison, chapter 10 of Faculty Policies and Procedures governs faculty layoffs and thus this document is proposed as a new version of that chapter. The proposed replacement FPP chapter 10 provides guidelines for the set of circumstances under which program changes may be made. This draft represents the ad hoc committee's and the University Committee's reading of statute and regent policy, relevant campus HR policies, and AAUP guidelines and the committee's deliberations were also informed by the long history of existing policies and procedures for implementation of program discontinuance and change on this campus. This draft document is intended as the basis for further discussion by UW-Madison faculty, the Faculty Senate, and the UW System Board of Regents. Faculty listening sessions will be held on September 29 – October 1 and the policy will be presented for a first reading at the October 5 meeting of the Faculty Senate. The overarching goal of this document – and the mandate to the drafting committee – is to adhere to state statute while maintaining the strongest protections of academic freedom and shared governance consistent with UW-Madison and UW System policies.

PROPOSED FACULTY POLICIES AND PROCEDURES CHAPTER 10

"Program discontinuance, curtailment, modification, or redirection"

Approved by ad hoc committee on tenure and termination and University Committee for public comment

10.01 Authority for Program Changes

The University of Wisconsin's Board of Regents, as per its "Policy on Academic Program Planning, Review, and Approval in the University of Wisconsin System" (Regent Policy Document 4.12), provides oversight for the programs at each UW campus. Wisconsin State Statute 36.21, as amended by Act 55, provides that the Board of Regents may terminate any faculty appointment when it is deemed necessary "due to a budget or program decision requiring program discontinuance, curtailment, modification, or redirection." The Regents' "Academic Planning and Program Review" document (ACIS 1.0, April 2010) specifies that the discontinuance, curtailment, modification, or redirection of a program must be either approved by or reported to the Board, and notes that UW System Administration's role is to coordinate the program initiatives of UW institutions (Section I, paragraph B.), including the introduction of new, or the elimination or modification of existing, programs. Further, WI State Statute 36.115 provides for the chancellor to establish employment relations policies and practices at the University of Wisconsin-Madison.

Therefore, the authority to make program changes at UW-Madison that involve discontinuance, curtailment, modification, or redirection for any reason is vested in the faculty of the institution (WI State Statute 36.09 (4)). Such changes, whether for educational or financial reasons, will be made in accordance with FPP 10.02, and will be reported to UW System administration and the Board of Regents (whose approval will be sought, where specified).

10.02 Process for Program Modification or Discontinuance

Program changes will be considered by the faculty of the program, the relevant school/college APC, and the UAPC, as outlined in the UAPC's "Policy and Guidelines for Suspending or Discontinuing Degree/Major Programs":

The results of the program faculty, school/college APC, and UAPC discussions and votes will be reported to the provost and the chancellor, and the chancellor will report the results to UW System Administration, which will convey those results to the Board.

10.03 Displacement of Faculty

In the event that changes under FPP 10.02 involve the displacement of tenured or tenure-track faculty due to program change or closure, the placement of those employees will be determined by UW-Madison employee policies, and in particular will be guided by FPP 10.04.

10.04 Consideration of Faculty Termination or Layoff due to Program Changes

A.1. In the event of curtailment, modification, or redirection of a program, the institution will ensure that any faculty members displaced by such program curtailments, modifications, or redirections are placed in another suitable position, in accordance with WI State Statute 36.22 (12). Such placement will be facilitated by the school(s)/college(s). If placement in another position would be facilitated by a reasonable period of training, such retraining and relocation will be provided and the institution will bear the cost of such retraining.

- A.2. In the event that discontinuance of a program results in the need to consider layoff or termination of tenured or tenure-track faculty members, the institution will make every effort to place such faculty members in another suitable position, in accordance with WI State Statute 36.22 (12). Such placement will be facilitated by the school(s)/college(s). If placement in another position would be facilitated by a reasonable period of training, such retraining and relocation should be negotiated and the institution will bear the cost of such retraining.
- B. If no alternative position can be found in the institution, with or without retraining, for tenured or tenure-track faculty displaced due to program discontinuance, the chancellor may lay off or terminate such faculty. Layoffs or terminations shall follow the provisions of this chapter and imply the retention of rights indicated in this chapter. A nonrenewal, regardless of reasons, is not a layoff or termination under this section.
- C. For the purposes of this chapter, "layoff" is the indefinite suspension or an involuntary reduction in services and compensation of a faculty member's employment by the University of Wisconsin System. A laid off faculty member retains the rights specified in <a href="https://www.uww.number.nu

10.05 Notification

Each faculty member whose position is recommended for elimination or reduction shall be notified in accordance with UWS 5.09 and 5.10 and WI State Statute 36.22 (4) and (5).

10.06 Hearing

A. A faculty member whose position is recommended for elimination or reduction is entitled to a hearing as provided in UWS 5.12 and Wisconsin State Statute 36.22 (7) and 36.22 (8).

B. The Committee on Faculty Rights and Responsibilities shall operate as the hearing agent for the Board pursuant to Wisconsin State Statute 36.22 (6), and conduct the hearing, make a verbatim record of the hearing, prepare a summary of the evidence, and transmit such record and summary along with its recommended findings of fact and decision to the Board.

10.07 Recommendations and Board Review

A. The recommendations of the chancellor and the recommendations, if any, of the Committee on Faculty Rights and Responsibilities shall be forwarded to the president and the Board and acted upon by the Board in accordance with UWS 5.14 and Wisconsin State Statute 36.22 (9).

B. Review by the Board is governed by UWS 5.14 and 5.15 and Wisconsin State Statute 36.22 (9) and 36.22 (10).

10.08 Layoff Status and Retained Rights

A. A faculty member whose position has been eliminated or reduced in accordance with the provisions of this chapter shall be placed on layoff status and shall so remain until removed according to UWS 5.16 and WI State Statute 36.22 (11).

B. A faculty member designated for layoff or on layoff status shall have the rights provided in UWS 5.17, 5.18, and 5.19 and WI State Statute 36.22 (12), 36.22 (13), and 36.22 (14), and, in addition, shall have the following rights: faculty on layoff status will be entitled to use university-wide facilities. Use of the facilities of a school, college, department, or program will be determined by the faculty thereof.

C. Faculty members on voluntary or compulsory reduction of appointment under this chapter retain full membership in the faculty regardless of the percent of appointment and continue to be governed by these Faculty Policies and Procedures; in addition, the annual notice required in UWS 5.16(2)(b)4 and in WI State Statute 36.22(11)(a)(5) shall be deemed to be given automatically by virtue of the continued part-time appointment. In the event that a faculty member on voluntary

or compulsory reduction of appointment shall accept an appointment at a greater fraction of full time as specified in UWS 5.16(2)(b)1, then any subsequent claim to increased appointment shall be forfeited.

10.09 Severance

In the case of faculty termination, the institution will provide severance pay of at least six months if the final decision (including completion of the appeals process) is reached prior to the 18^{th} month of probationary service, or at least one year if the decision is reached after the 18^{th} month of probationary service or if the faculty member has tenure. In determining the amount of severance pay to be awarded, the faculty member's length and quality of service and considerations of equity will be taken into account.
